Re: Bannum Place of Saginaw, LLC  
Case 07-CA-207685 et al.

All,

I have been informed by Mr. Hammond that the parties currently appear to be at impasse in this ADR proceeding. Accordingly, I am removing this case from the NLRB's ADR Program.

This case was placed into the program on August 4, 2020. At that time, an extension of time for filing answering briefs and cross-exceptions had been granted until August 21, 2020. Pursuant to Sec. 102.45(c)(1) of the Board's Rules and Regulations, once a case is removed from the ADR Program, "the time period for filing will begin to run and will consist of the time period that remained when the case entered the ADR Program." Accordingly, the new due date for filing answering briefs and cross-exceptions is **September 25, 2020**.

I thank all of you for the time and effort you put toward attempting to settle this case. Of course, nothing precludes you from continuing to discuss resolution outside of the program.

Very truly yours,

/s/ Leigh A. Reardon  
Associate Executive Secretary
